

**Proposed Amendment to
Faculty Governance Structure and Process document
2013.1**

Proposed by: Senate Leadership Team

We, the undersigned, propose to amend Article 1, Definition of Terms, as follows (~~strikeout~~ denotes text to be deleted, underline denotes text to be inserted):

- Faculty:** Any full-time in-unit FGCU employee, including faculty in visiting status,
- (1) whose job classification includes at least one of the following titles: Eminent Scholar, Endowed Chair, Professor, Associate Professor, Assistant Professor, Instructor, Lecturer, University Librarian, Associate University Librarian, Assistant University Librarian, Instructor University Librarian, ~~or~~ Program Director, or Academic Advisor (within the Division of Academic Affairs), and
 - (2) whose annual assignment consists primarily of support for the instructional function of the University (greater than 50% of activities on Faculty Activity Report (FAR) must be directly related to teaching, scholarship, and service), and
 - (3) whose annual assignment does not include supervisory evaluation of other ranked faculty.

Rationale: The proposed amendment will include Academic Advisors within the Division of Academic Affairs in the definition of Faculty for purposes of the Faculty Governance Document, and will provide Academic Advisors with the same rights and privileges for service on Faculty Senate as other faculty with currently included in the definition.
