called together at 9:40am 2) Approval of Minutes of April 14, 2011 3) President Wilson Bradshaw President Wilson Bradshaw Early Culture & Climate Report has been turned over to the Core group which will be working with the Cabinet work to make suggestions for improvement. • The University was able to find funds to complete AB-8. • In the upcoming year will be working on an additional access road to campus. • Will request funding for FTEs; (last year FGCU students funded at 72%, this year funded at 66%.) FGCU should have parity with other SUS students. • 2011-12 approved 52 new faculty positions, but staffing still at same level of 9000 students in some areas. The President and his Cabinet will look at staffing across the campus to alleviate staff workload. • Permitting for the South Access Road is continuing, even though there are no construction funds. Major priorities for 2012-13: 1. With less than 50% of operating budget coming from the state we will need to balance growth with quality. 2. PECO money – Replacement of the \$4.5 million for AB-8. Next construction project will be AB-9. After that, there will be a marked slowdown in new	Agenda Item	Responsible	Discussion	Action/Vote	Follow-up

b) SGA Report	Justin Carter, SGA Vice- President	 Perch renovations have been completed. Food Forest (garden) is under construction. Service learning opportunities available for students throughout the semester. 	Information/ Report Only	
		Plans for this year: SGA will be implementing Diversity Series this year and Increasing service learning opportunities for students. Sept. 17, SGA will be participating in Give Kids the World in Kissimmee. Faculty advisors to student organizations, have your president meet with the student governing board regarding funding—governing document under review.		
c) UFF Report	Monika Renard, UFF President	UFF Fall Social in September, updates pending. The UFF Senate meeting will be held at end of September in Tampa where there will be discussions on how things are unfolding in the Legislature. Bargaining will begin in October; salary and benefits, salary compression and inversion are items for bargaining. While UFF is happy about bonus and raise, this will not impact bargaining.		
d) Senate President's Report	Douglas Harrison	 Leadership team will meet with President Bradshaw and Provost Toll to discuss shared governance, and work on clearly defining what that means at FGCU. There is an ongoing effort to survey about chairs and deans. Currently we are in the process of trying to find collaborative process to implement the survey. The Outcomes & Assessment task force will be convening soon.
