- Award recipients' names are engraved on a general Service Excellence Award plaque that is placed in the Provost's office. This plaque includes the names of all prior award recipients.

Nomination Process

Individual Faculty Service Excellence Award criteria are announced by the Provost's office at the beginning of the academic year. The Provost's office issues an official call for nominations by the end of the fall semester and a final notification by January 21st. Nominations are submitted to the Provost's office by February 7th. Nominations must come from individuals with direct knowledge of the nominee's qualifications in service. No self-nominations are accepted.

The one-page nomination letter must include:

- How the nominator knows the nominee (relationship between the nominator and nominee).
- How long the nominator has known the nominee.
- How the nominee meets the award criteria.

Documentation

Candidates for an individual faculty service excellence award prepare a service portfolio. Service portfolios are submitted to the Provost's office by March 1st. All portfolio materials must be submitted in a uniform 1-inch notebook. All documentation needs to be single spaced for consistency. Portfolio materials should be labeled and organized as follows:

- Table of contents

- Letter of nomination (Copy provided by the Provost's office)
- A bulleted list of pertinent activities related to service with contact information related to service activities (single spaced, 2 pages maximum)
- Reflection of professional growth & development over time in area of service (single spaced, 3 pages maximum)
- Description of service activities (single spaced, 1 page maximum)
- Documentation of service activities
- Syllabus from service learning course (if taught)
- Current vitae
- Three letters of support. Two of these letters must be a peer evaluation of service that includes the details about the specific service activity observed and the date(s) of observation.

Selection Committee

The service excellence awards selection committee convenes in January. Once convened by the Provost's office, the committee will elect a chair from committee membership. The chair of the selection committee does not vote unless there is a tie. A nominee for any of the service excellence award categories is not eligible to serve on the service excellence awards selection committee.

Members of the selection committee include:

- Representative from the Provost's Office
- One faculty member elected from each college and library (elections held during Fall Semester)
- One recipient of the individual faculty service excellence award
- One recipient of the team service excellence award

At the end of each award cycle, the award selection committee should review the nomination, documentation, and award selection process and, if appropriate, present recommendations in writing (with associated recommended revisions to guidelines) to the President of the Faculty Senate, the provost, and the chair of any Faculty Senate ad hoc committee charged with reviewing award processes.

Award Evaluation Criteria

The rubric for evaluation is on a 4-point scale ranging from 0-3, where 0 is not evident or NA, 1 is partially evident (marginal), 2 is evident (acceptable) and 3 is fully evident (exemplary). Evidence of the following criteria is evaluated:

- Completion of one full academic year at FGCU in a faculty position
- Demonstrates continuous growth in service over time, with representative amount of service occurring while serving as a faculty member at FGCU
- Demonstrates a self-critical, reflective approach in evaluating service
- Demonstrates support of the service mission of FGCU
- Demonstrates mentoring of peers in service and civic engagement
- Demonstrates excellence in one of the three criteria:
 - Demonstrates substantial evidence of continuing service to the applicant's professional, discipline-related organizations at the university, regional, state, and/or national level(s).

- Demonstrates substantial evidence of continuing service to student organizations and/or FGCU faculty affiliations (e.g., Faculty Senate, Faculty Senate Teams)
- Demonstrates substantial evidence of service to the community, region, state, and/or nation in the nominee's role as an educator. (e.g. faculty integration of service learning into courses)

Prior recipients of an FGCU Individual Faculty Service Excellence Award are ineligible to receive the same award a second time. The Selection Committee reserves the right not to give out Individual Faculty Service Excellence Awards if nominees fail to satisfy minimal eligibility requirements or if there are fewer than three nominees per award category. The Selection Committee has the right to extend the application period.
