

The Office of Undergraduate Studies is excited to announce the 2015-2016

FGCU Excellence in Mentoring Awards

These awards will recognize faculty, staff, and students on our campus who provide mentorship.

Mentors offer guidance and support in academic, personal, and service-oriented development by creating high-impact educational experiences. Outstanding leaders who mentor students and student leaders who mentor peers, will be recognized.

Recipients will be selected based on nominations that will be collected early in the Spring 2016 semester.

- Nominations due March 6th, 2016
- Awards and campus announcement distributed by April 1st, 2016

Mentors will need to have intensive work with a student for at least one year. Intensive work might include research or a large goal accomplishment (academic or other).

Some characteristics of our Mentor Leaders may include:

- Effective role model of academic pursuits and life goals
- Advisor of research, fieldwork, personal pursuits
- Developer and supporter of talents
- Interpreter of environment and discipline
- Organizer and guide in academics, career, personal and professional pursuits
- Advocate in academic study and ideas
- Confidante in personal and professional goals

Awards will be distributed in the following ways:

- 2 Staff Mentors University-wide
- 2 Faculty Mentors CAS
- 1 Faculty Mentor COE
- 1 Faculty Mentor Whitaker CO Engineering
- 1 Faculty Mentor CHPSW
- 1 Faculty Mentor LCOB
