~~2018~~2019-2019-2020 Catalog Year

GLY 1000C is being replaced by GLY 1010C Physical Geology for the proposed program Environmental Geology B.S. In anticipation of this new program's approval, the catalog copies for affected majors have been prepared by ACS as informational items for the University Undergraduate Curriculum Team. All other edits were approved at a prior meeting.

Admission Requirements

- Students must meet with a college advisor to declare a minor and review the course requirements.
- A grade of C or higher is required in all courses for the minor.
- A minimum of 12 credit hours of the minor must be completed at FGCU.
- Students desiring certification of a minor and designation on their academic transcript must verify that the minor is displayed on their Graduation Application.
