

Geology Minor
College of Arts and Sciences
Department of Marine and Ecological Sciences
(239) 590-7196
201819-2019-2020 Catalog Year

GLY 1000C is being replaced by GLY 1010C Physical Geology for the proposed program Environmental Geology B.S. In anticipation of this new program's approval, the catalog copies for affected majors/minors have been prepared by ACS as informational items for the University Undergraduate Curriculum Team.

Environmental Geology majors are not eligible for the minor in Geology.

Admission Requirements

- Students must meet with a college advisor to declare a minor and review the course requirements.
- A grade of C or higher is required for all courses in the minor.
- A minimum of 12 credit hours of the minor must be completed at FGCU.
- Students desiring certification of a minor and designation on their academic transcript must note the minor on the Application for Graduation.
