STEP 2 Congratulations you are a declared Major in Anthropology
Recommended Sequence of Program Content

In the following curriculum map- you will need to complete:

1. one course in biological anthropology	3cr
2. one theoretical course	3cr
3. one methodology course	3cr
4. a two semester foreign language sequence	8cr
5. one course in world civilization	3cr
6. one course in language and culture	3cr
7. an internship course	3cr
8. a senior seminar course	3cr
9. a university wide requirement (Colloquium)	3cr
	<hr/>
	32cr

And

9-10 elective courses in anthropology 3000 level or higher 27-30 cr

These are presented in an idealized sequence. You may not follow this exactly. Just ensure that you complete all of the requirements.

All upper division courses (3000 and 4000 levels) have a generic pre-requisite that is met by completing the SUS common prerequisites or other program requirements. Two particular courses have explicit pre-requisite requirements:

ANT4941 Internship-requires completion of one of the methodology courses.

ANT4930 Senior Seminar requires completion of ANT 4941 Internship

ANTHROPOLOGY (B.A.) - 2014-15 CURRICULUM MAP
