

DELEGATION OF AUTHORITY 1-13

Associate Athletics Director, Internal Affairs/SWA
Athletics

On May 10, 2016, in the Resolutions for Presidential Authorizations and subsequent amendments, the Florida Gulf Coast University Board of Trustees authorized the President to, among other things, manage and administer the University and to exercise all of the powers, duties, and authorities of the University, except to the extent that such powers, duties, and authorities are required to be exercised by the Board or the BOG according to their respective resolutions, regulations, operating memoranda, and policies, and/or applicable law.

Subsequently, the President delegated to me the authority to administer and execute athletic competition agreements.

I hereby designate Lauren Freeman, Associate Athletics Director, Internal Affairs/SWA, as my designee to continue the following:

Agreements

You are my designee for purposes of administering and executing athletic competition agreements, e.g. “game day contracts”.

Notwithstanding, this delegation does not encompass procurement contracts. Procurement contracts are defined as any contract which requires the University to pay for services rendered or material received.

This delegation is effective provided that funds are available and agreements are handled in accordance with law and University policies. Moreover, in accordance with FGCU Policy 1.013, Contract Review, any document covered under this delegation must receive legal review by the Office of the General Counsel prior to execution.

This delegation is effective immediately and supersedes any previous delegations relating to these subject matters. This delegation may be redelegated, provided I receive prior notice of such redelegation and consent thereto. Any redelegation of this authority shall be prepared by and in consultation with the Office of the General Counsel. Redelegation should align authority with effective organizational assignments of responsibility.
