

OFFICE OF THE GENERAL COUNSEL

News You Can Use

Welcome to the new Office of the General Counsel's Newsletter! You'll find that it is a useful informational tool, bringing you legal topics of interest and practical tips.

This informational resource is designed to enhance awareness of legal issues further, and increase the accessibility of our services. Each quarter we will cover a particular topic, as well as highlight new policies, regulations, and changes affecting the University.

All matters requiring legal advice or legal action relating to University business should be referred to the Office of the General Counsel. Our attorneys have expertise in many areas of law, including those impacting higher education. We encourage you to contact us if you are considering an endeavor which may have a legal component, or if you are contemplating the creation of or modification to a regulation or policy. Early identification of legal considerations through the proper and prompt involvement of the legal staff usually helps projects and endeavors proceed more efficiently.

Your feedback is important to us. Please contact our office with any comments or questions at gco@fgcu.edu.
