### **C. Payments on Accounts Due the University**

Charges against a student's account for loss or breakage of University equipment, lost books, library, or parking fines, and other related charges are due immediately. University policy prohibits registration or release of transcript and diploma for any student whose account with the University is delinquent.

### **D. Registration**

Registration occurs when a student:

1. Selects one (1) or more credit courses approved and scheduled by the University; and,
2. Pays tuition and fees, partial or otherwise, or makes other appropriate arrangements for tuition payment (installment payment, deferment, or third-party billing) for the courses in which the student is enrolled as of the end of the drop/add period. The University does not have a plan for installment payment of fees.

## **E. Payment**

Tuition and registration fees must be paid in full by the payment deadline date designated in the Academic Calendar as the "last date to pay fees" for each term. Payments shall be made at the Office of the Bursar, University website, or by mail and received no later than that date. The President or designee will extend the deadline for fee payment when payment by the student is delayed due to University action or inaction.

## **F. Liability for Payment of Tuition**

Liability for payment of tuition is incurred at the point at which the student has completed registration. Students are liable for all fees associated with all courses in which they are registered at the end of the drop/add period.

## **G. Cancellation of Registration**

A student's course schedule shall be canceled when tuition has not been paid or when arrangements for payment have not been made through the Office of Financial Aid and Scholarships or the Office of the Bursar. Students are liable for tuition and fees associated with all courses in which they are registered at the end of drop/add period. A student who has not made any effort to pay their tuition and fees by the published deadline will have all courses canceled. A student whose course schedule has been canceled cannot thereafter attend classes and will not obtain credit for courses. A student whose course schedule has been canceled will be mailed written notice of cancellation from the Office of Records and Registration to his or her last known address on record and be given a deadline by which he or she may apply for reinstatement. A student who makes an effort to pay, including, but not limited to, partial payments by credit card, check, or cash, any type of financial aid or scholarship, grants, waivers, third party contracts, Florida Bright Futures, and Florida Pre-paid, by the published deadline will not be cancelled from all courses and are considered fee liable.

## **H. Reinstatement**

Students may seek reinstatement of their course schedule by following the procedures outlined in this subsection.

### **1. Requests for Reinstatement**

A request for reinstatement must be presented in writing to the Office of Records and Registration by the deadline given on the notice of cancellation mailed to the student. The request for reinstatement must include all documentation supporting the request. The Reinstatement Appeals Committee will evaluate the request based upon the criteria contained in this rule and notify the student in writing of its decision.

## 2. Reinstatement Appeals Committee

A student whose course schedule has been canceled for non-payment may apply for reinstatement of the course schedule to the Reinstatement Appeals Committee. The Committee shall consist of at least three (3) staff members appointed annually by the President, and one (1) student appointed by the FGCU Student Government. The Committee shall meet as required between the published last day to pay fees and six (6) months after the end of the term for which the reinstatement is requested. The decision of the Committee shall be final.

## 3. Criteria for Reinstatement

a. In evaluating a request for reinstatement, the Committee shall apply the following criteria:

- 1) Reinstatement shall be granted where it is demonstrated that the student's registration was canceled through University error.
- 2) Reinstatement shall be granted where the student submits documentation demonstrating that the student was prevented from making timely payment due to extenuating circumstances beyond the student's control. Examples of "extenuating circumstances" include:
  - a) A student was unavoidably out of town during the week prior to the last day to pay fees, or
  - b) A student was ill and unable to make payment prior to the last day to pay fees.
- 3) If a student's reinstatement is approved by the Reinstatement Appeals Committee, they must be reinstated for all courses for which they were originally registered.

b. Where reinstatement is granted, the student shall take the written decision of the Reinstatement Appeals Committee to the Office of the Bursar, pay the fees which are due, and complete the registration process with the Office of Records and Registration.

### **I. Late Registration Fee**

1. A late registration fee of \$100 shall be assessed by the University when registration is initiated after the close of the regular registration period.
2. The late registration fee shall be waived when:
  - a. The late registration was caused by a University error;

- b. The student was unavoidably out of town on the last day to register (documentation must be provided);
- c. The student was ill (documentation must be provided);
- d. The course was closed and the student was required to wait until classes started (written documentation from the instructor is required); or
- e. The student was informed after the published last day to register that a course is necessary in order to graduate, be re-certified, or is a work-related requirement (appropriate documentation must be provided).

#### **J. Late Payment Fee**

A late payment fee of \$100 shall be assessed by the University when:

- 1. A student pays his or her fees after the published "last day to pay fees", and has been approved for reinstatement pursuant to this rule; or
- 2. A dishonored check is redeemed after the last date to pay fees.

#### **K. University Loan Program Service Charge**

In lieu of interest, a \$10 service charge will be assessed to any student participating in the University loan program regardless of the amount of the loan. Students utilizing the University loan program must sign a promissory note which obligates them to the total loan amount including the \$10 service charge for each loan issued.

#### **L. Tuition and Fee Appeals**

Students may appeal the assessment of fees and request refunds of tuition and fees to the Fee Appeals Committee according to procedures set forth in this subsection.

##### **1. Procedures**

A student who seeks review of tuition or a fee assessed shall file a written appeal with the Office of Records and Registration. The appeal must set forth the basis for seeking a refund and attach all supporting documentation. An appeal must be filed no later than six (6) months following the last day of the term during which the respective tuition or fees were incurred. For the purpose of this Regulation, summer terms are considered as one (1) term.

##### **2. Tuition and Fee Appeals Committee**

The Tuition and Fee Appeals Committee shall consist of at least three (3) staff members who are appointed annually by the President, and one (1) student appointed by the FGCU

Student Government. The Committee shall meet as often as necessary to review and act upon appeals which come before it.

### 3. Committee Determinations

Each appeal will be initially reviewed by the University Registrar or designee. A decision will be made by the Office of Records and Registration according to criteria established by this Regulation. The decision shall be communicated in writing to the student within sixty (60) days from the date the appeal was filed with the University. The Tuition and Fee Appeals Committee shall consider only cases of those students who are appealing the initial decision made by the Office of Records and Registration. Students may appear in person before the Committee to present their appeal. The decision of the Committee is final.

### 4. Criteria for Determining Tuition and Fee Appeals

The criteria established by this Regulation shall govern decisions by the University Registrar and the Tuition and Fee Appeals Committee.

- a. An appeal shall be granted when it is demonstrated that tuition or fees were paid as a result of University error.
- b. An appeal shall be granted when it is demonstrated that the student was prevented from timely withdrawal from the University due to extenuating circumstances beyond the student's control. Extenuating circumstances include death of the student; death in the immediate family (parent, spouse, child, sibling) of the student; illness of the student that is of long duration or severity, as confirmed in writing by a physician; or call to, or enlistment in, active military duty.

## **M. Refunds**

Refunds will be processed and mailed to the address shown on the Office of Records and Registration's files to all students whose fee accounts show an overpayment after the published last day to pay fees. Students due a refund will not be required to submit a refund request to receive their refund because it will be automatically calculated. If there is a balance due to the University in the accounts receivable system, that amount will be deducted from any refund due. In addition, students shall be entitled to refunds in the following circumstances:

1. One hundred percent (100%) of tuition and course related fees will be refunded if notice of complete withdrawal or course withdrawal from the University occurs prior to the end of drop/add period.
2. Twenty-five percent (25%) of tuition and course related fees will be refunded if notice of withdrawal from ALL courses from the University occurs prior to the deadlines as designated by the University or in the Academic Calendar for each term.

3. Students who receive financial aid and subsequently change their enrollment status and this action results in a refund, may have all or a portion of their refund returned to the Office of Financial Aid and Scholarships in accordance with the terms of their financial aid agreement.
4. One hundred percent (100%) of tuition and course related fees if a student withdraws or drops a course due to circumstances which are exceptional and beyond the control of the student. Requests for fee adjustments must meet one (1) of the conditions below to be considered:
  - a. Death of the student or immediate family member (parent, spouse, child, or sibling) as confirmed by documentation indicating the student's relationship to the deceased. A death certificate is required.
  - b. Illness of student of such severity or duration to preclude completion of course(s). Written confirmation by a physician required.
  - c. A situation in which the University is in error as confirmed in writing by the appropriate Vice President or other senior administrator.
5. In accordance with FGCU Regulation 4.002, Student Code of Conduct and Student Conduct Review Process, Article C, relating to interim measures, a pro-rata portion of fees may be refunded.

#### **N. Deferred Payment Status**

Deferred payment status for tuition and registration fees will be granted upon application by the student on the following grounds:

1. Veterans

Veterans shall be entitled to deferment in accordance with the provisions of section 1009.27, Florida Statutes.

- a. Each student granted a veteran's deferment shall sign a promissory note for the amount of registration and tuition fees due. The promissory note must be presented to the Office of the Bursar before the published last day to pay fees. Failure to present the promissory note by the deadline will result in the student being assessed the \$100 late payment fee. If the student does not present an authorized deferment to the cashier, including the \$100 late fee, by the close of the fourth week of classes, the student's registration shall be canceled. The student may request reinstatement by presenting an authorized VA deferment promissory note along with a \$100 late registration/late payment fee in lieu of full payment of tuition and registration fees. (See the procedure outlined in section H., Reinstatement.)

- b. If an eligible student's educational benefits are delayed beyond the deferral period, (end of term for which they are enrolled) the deferment will be extended upon request by the student with written verification from the granting entity that the student is eligible to receive benefits and that benefits are being processed for payment. Upon receipt of written verification, the Office of Records and Registration shall approve the deferment and any request for extension. Additional extensions may be similarly granted until such time that the student begins receiving educational benefits. Failure of the veteran to pay the amount of the authorized deferment by the due date or extended date, whichever is later, will result in the student being assessed the \$100 late registration/late payment fee.

## 2. Third Party Billings

Deferment is permitted when formal contractual arrangements have been made with the University for payments by an approved third party. The President or designee is responsible for negotiating such third-party contracts.

## 3. Delay in Financial Aid Delivery

Deferral of tuition and fees is permitted for those students receiving financial aid from federal, state, or University assistance programs when delivery of the aid is delayed through circumstances beyond the control of the student. Failure to make timely application for such aid shall be insufficient reason to receive such deferral. The Associate Vice President for Student Financial Enrollment and Business Services or designee shall certify a student's eligibility for deferral to the University Controller or designee for each student for each academic term for which receipt of aid is delayed.

## 4. Extraordinary Circumstances

Extraordinary circumstances exist and the deferment has the approval of the President or his designee.

## **O. Withdrawal or Course Changes Due to Military Service**

A student who is called to, or enlists in, active military service in the United States Armed Forces may choose to withdraw from the University or any course(s) with a full refund of tuition and fees paid and without academic penalty. In the alternative, a student may elect not to withdraw and to complete the course(s) at a later date. A student who elects to complete the course(s) at a later date shall re-enroll and begin completion of the course(s) requirements no later than within six (6) months after discharge or release from active military duty.

1. Notification of withdrawal or course change(s) due to military service shall be made to the Office of Records and Registration as soon as practicable. The student, or a representative of the military service on the student's behalf, shall provide verification of the official active duty orders or discharge to the Office of Records and Registration.

2. The transcript of a student will be annotated to reflect that the above withdrawal or course change(s) is due to active military service.
3. A student living in University housing or registered for a meal plan will receive a pro rata refund of fees paid based on the date of withdrawal or the date of election to complete the course(s) at a later date, or the terms of the meal plan.
4. The student is responsible for returning any outstanding library materials and University equipment, and for the payment of any parking fines assessed by the University.
5. If the course is no longer offered when the student seeks to resume study, an equivalent course may be selected.
