Important Notes:

- BSC 1010C, BSC 1085C, and BSC 1086C must be completed with a B- or higher.
- All other prerequisite courses must be completed with a C or higher (a grade of C- is not acceptable).
- Submit Supplemental Materials to the Department of Rehabilitation Sciences (Marieb Hall 434) prior to Feb 1st the year during which the student intends to begin upper level program coursework, see website <https://www.fgcu.edu/mariebcollege/rehabilitationsciences/exercisescience/files/RequiredApplicationMaterialsES.pdf>
- Attend mandatory Exercise Science Program Orientation in mid-August (more information regarding orientation will be provided by the Department of Rehabilitation Sciences Office (239.745.4255) after receipt of your Supplemental Materials).
- Students progression is based on the Exercise Science Program of Study and is a cohort model and starts in the Fall term only.

Students are **strongly encouraged** to complete these courses as part of their AA degree to stay on track for a timely graduation. Any remaining prerequisite courses not completed during the AA may delay graduation.
