

## DNP NP MAJOR TRANSFER OF GRADUATE CREDIT

Requests to transfer credit for previously completed coursework toward the BSN-DNP Nurse Practitioner or MSN-DNP degree are evaluated according to the [University Guidelines for Transfer of Graduate Credit](#) and section II. B. 3. Doctoral Degree Requirements of the [General Graduate Academic Policy](#).

### BSN-DNP NP Major

The award of transfer credit is based on evaluating the equivalency of individual transfer courses with current BSN-DNP NP course requirements. Transfer credit ***will not be awarded*** for courses completed more than five (5) years before the date of admission to the BSN-DNP NP major.

As the BSN-DNP NP curriculum is constructed in a sequential progressive semester framework, the evaluation of transfer credit for BSN-DNP NP major course equivalency is limited to the following BSN-DNP NP courses:

- NGR 6002 Advanced Health Assessment (3 credit hours)
- NGR 6002L Adv Health Assessment Practice (1 credit hour)
- NGR 6712 Foundations of Nursing Educ. (3 credit hours)
