

Transfer of Graduate Credit – MSN-DNP Nurse Anesthesiology Major

Requests to transfer credit for previously completed coursework toward the BSN-DNP Nurse Anesthesiology or MSN-DNP Nurse Anesthesiology (DNP NA) degree are evaluated according to the [University Guidelines for Transfer of Graduate Credit](#) and section II. B. 3. Doctoral Degree Requirements of the [General Graduate Academic Policy](#).

The award of transfer credit is based upon the evaluation of the equivalency of individual transfer courses with current MSN-DNP NA course requirements. Transfer credit **will not be awarded** for courses completed more than five (5) years prior to the date of admission to the MSN-DNP NA major.

The evaluation of transfer credit for MSN-DNP NA major course equivalency is limited to the following MSN-DNP NA courses:

- NGR 6712 Foundations of Nursing Educ. (3 credit hours)
- NGR 6872 Nursing Information Management (3 credit hours)
- NGR 7846 Biostatistics & Epidemiology (3 credit hours)
- NGR 7895 Health Policy (3 credit hours)
- NGR 7899 Organization System & Leadership (3 credit hours)

Transfer credit **will not be awarded** to satisfy the following BSN-DNP NA course requirements:

- NGR 7473 Regional Anesthesia/Pain Mgmt
- NGR 7492 Prof Role-Nurse Anesthetist
- NGR 7856 Evidence-Based Trans Research
- NGR 7891 Fin & Mgmt-Anesthesia Practice
- NGR 7974 DNP Project
- NGR 7974L DNP Clinical Practice

Transfer credit **will not be awarded** to satisfy MSN-DNP NA major requirements for clinical experiences and clinical hours.
